Radio: 30-second script

MAN: I've always been the quiet type, you know, the guy who likes to be alone. People say I'm antisocial. But that's not it. I just want some me-time ... some home time, instead of the bar or club. Oh hell, I'm an introvert ... that's it, an introvert.

ANNOUNCER VOICE-OVER: Whatever personality type you are, Wood Chuck Cider has a cider that's right for you.
